

Registration Opens for Sydney Bus Show

27 July 2016

BusNSW has announced that online registration is open for the “Australian Bus + Coach Show 2016” to be held at Sydney Showground at Sydney Olympic Park on the 5th and 6th October 2016.

Whilst entry to the show is free and open to all industry participants, visitors are encouraged to register online at www.busshow.com.au well before the event.

BusNSW Executive Director, Darryl Mellish, said that all attendees will be required to provide some basic details to allow entry to the show and this is best done online before the show to ensure quick entry.

“For this world class show to continue to evolve it is important that we understand who is attending and seek feedback on how the show can add value to making decisions on the procurement of vehicles and other services,” Mellish said

“We strongly recommend that all attendees pre-register online to ensure quick and convenient entry on the day” he said.

“We have made a conscious decision to focus on a stand-alone exhibition, that will feature over \$50m worth of vehicles and equipment and more than 100 exhibition booths under one roof.” Mellish said

This industry event is supported by *Transport for NSW* who will be exhibiting at the show alongside Roads and Maritime Services (RMS) and the NSW Centre for Road Safety.

BusNSW Industry Development Manager, Matt Threlkeld, said there are a number of social events including the Volvo welcome function and BusNSW 75th Anniversary Gala Dinner that provide all attendees with networking opportunities.

“Operators and industry stakeholders can register online for the full social events package which provides exceptional value or they can register for selected functions.” Threlkeld said.

Attendees should visit the official Bus Show website at www.busshow.com.au for online visitor and social event registration, as well as all the latest news, maps, parking, travel and accommodation information.

There are a limited number of booths and exhibition space still available and companies interested in exhibiting should contact the Exhibition Coordinator, Geoff Holland, via email info@contactexhibitions.com.au or 0412 361 580.
